Topic: "Synergistic Training Program Utilizing the Advanced Research Instrumentation"
21 - 27 January, 2023

Please rate the programme components on the scale of 10 to 1 (10 indicates 'Excellent/ Most Effective and 1 indicates 'Poor/ Least Effective') wherever necessary.

S. No.	Component	Rating											
		1	2	3	4	5	6	7	8	9	10		
1.	The overall grading of the programme with reference to the relevance of course, module, content etc.												✓
2.	The overall grading of the facilities provided by the institute, i.e. Hostel, Mess, Class, Rooms, Transport, infrastructure etc.												✓
3.	The overall grading for the resource/ delivery persons conducting the training												✓
4.	The overall rating for the experimental work												✓
5.	How far the field visit is relevant and related to your research study												✓
6.	The usefulness of this training in your current role												✓
7.	The usefulness of this training in future work/ job you may handle												✓
8.	How far have you benefitted from interaction with the fellow participants of the training										✓		
9.	How far the course material supplied relevantly and related to the training curriculum												✓
10.	The overall grading of the process of training												✓
11.	Your recommendation to your peers/ colleagues for the training programme												✓

Other suggestions/ observations, if any:

Other suggestions/ observations, if any:

Need more programmes like this; may in other fields like Botany; enhance the training programme time, so that we got some more time for/to learn experimental work more properly.

Other suggestions/ observations, if any: Thank you to all organizers, its a very informing training program. I just want to suggest that you may extend your days of training program & time of hard or training. Sorry to say we are not visited to experimental field. If that do so, I would more thankful to you.
