11.	Your recommendation to your peers/ colleagues for the training Programme										

Any other suggestions/ observations, if any-

The training program should be more focussed on handling of instruments
 In my opinion, lecture session is bit far lengthy. The ~~technical~~ technical issues that speakers and students were facing needs to be improved.

5.	How far the field visit is relevant and related to your research study										✓				
6.	Usefulness of this training in your current role										✓				
7.	Usefulness of this training in future work/job you may handle												✓		
8.	How far have you benefitted from interaction with the fellow participants of the training														✓
9.	How far the course material supplied relevant and related to the training curriculum										✓				
10.	Overall grading of the process of training														✓
11.	Your recommendation to your peers/ colleagues for the training Programme														✓

Any other suggestions/ observations, if any-

- i) Actual hands-on operation of certain instrumentation will definitely help
- ii) More diverse topics will be welcome since participants are from various backgrounds.
