Any other suggestions/ observations, if any-

⇒ Handling of training program was awesome. Arrangement of lecture, food and accommodation was amazing. If only one thing I suggest is that the demonstration is good but the hands on experience of researcher is lacking. So more time to given on hands on training or less time for lecture series. Lecture series is necessary and its really good but hands on more important than

Any other suggestions/ observations, if any-

The STUTI workshop is very well organized. The topics are very interesting. only the thing is most of the participants they not get the chance to handle the instruments.
