Any other suggestions/ observations, if any-

Proper reception needs to be worked on. I had already mentioned date and time of my arrival at AMU ^{via e-mail} and I reached AMU ^(at AMU) after travelling for 36+ hours and after reaching here, there was no one at the reception. I spent 45+ mins searching for staff, calling the ^{contact} persons mentioned in mail but of no use. Only after 50+ mins, a person came and took me to a ^(Name of the Participant) SURAJ KUMAR room in which AC wasn't working properly, bed sheets were dirty and the windows didn't have curtains. After complaining, my room was changed only on the 4th or 5th day.

Any other suggestions/ observations, if any- I would to extend a warm thank you for organizing a wonderful training session. Not only the session was very informative, but the training material was provided, was also interesting & enjoyed most was, NP, lab, LC lab and SEM, TEM. I would like to thank you & your team who was involved in training to support us. It was the great job & I look forward to attending more session with you if possible.
