Any other suggestions/ observations, if any-

First of all I thanks to DST and NIT Rourkela for Conducting such a usefull work-shop. Which increase my knowledge and clear the dought and also help me in my research work. My suggestions is to conduct such work shop in a particular Interval of time. I thanks to all the speakers of NIT Rourkela, which provide Amazing lecture to understand the X-R-D technique and Application of XRD in Research area. Again I thanks to Co-ordinate and Volunteers to do thire job well and make this work shop successfull.

Any other suggestions/ observations, if any-

Fantastic Workshop ! This is a wonderful technique that I will use in my practice. I am really feeling delighted to have been able to be a part of this. Very interesting technique & content with brilliant result.

Very much thankfull to NIT, Rourkel & DST

Any other suggestions/ observations, if any-

The overall workshop is really effective, the lectures/talk delivered by professors really helpful. Some areas are really strong but some areas needs to improve like the hands-on session or Lab session should be side by side. This will help more to cope up with software skills with theory knowledge.
