 The overall program conducted by NITW was very well, I  
 heartily congratulate the whole team of CRIF. It is a great platform  
 to know many things and to having good facility and received  
 lecturers from eminent Professors and Scientists which we are not  
 available in my institute. I'm very glad to have this program.  
 I feel grateful attend the program and it  
 very useful for my further Ph.D program.  
 Thank you very much for selecting me to this program.  
 I hope in future also we will communicate for further research

*The programme was really good in accommodation, arrangements of food. There were excellent lectures by real hands on instrumental training on most needed sophisticated methods. I would like to suggest that more instrumentations be exposed to participants - i.e. that a specialized technique programme based on participants interest might be more useful.*

Any other suggestions/ observations, if any- 1) Theory followed by Hand-on training in Afternoon session is most wellcomtable.

2) Giving Assingment / problem solving Excersis is most need for focusing participants in concept/ effective learning also.

3) Time utlisation is need to be effective all are residents of nit-w campus so utilise 8:00 am to 8:00 pm along with library utilisation faculty and other facility which may possible.
