10.	Overall grading of the process of training						✓				
11.	Your recommendation to your peers/ colleagues for the training Programme										✓

Any other suggestions/ observations, if any- The duration of the training at for the hands on experimentation part is slightly too, so a little increase in duration might also help in a better manner. Otherwise the concept is amazing and would really boost the current scientific Infrastructure of our country.

Any other suggestions/ observations, if any- Overall Training Program is really Excellent as per my opinion. but if any improvement can be done, please accommodate in a Hygienic Guest house. Accommodation & some times food is also Poor. Experts are really Excellent but some internal Expert are not matching with their Expertise area, it should be improved. Training content should be provided in CD so it may help ful to store for long time. Group photo in Hard copy also should be provided for Memory.

Any other suggestions/ observations, if any-

In this training program, I have learned many things about instrumental analysis, system and applications. Communication is the only problem for Outstation participation because participants are coming from various places among india. So We need Common (English) language is enough for understanding.
