

**FEEDBACK FORM FOR TRAINING PROGRAM**

A one week training program on R &amp; D equipment

Title of the Training Programme: STUTI-21

Date and Duration of Training: 19/09/2022 to 25/09/2022

Name of the Institute where Training has been conducted: NIT Jalandhar Punjab

Please rate the Programme components on a scale of 10 to 1 (10 indicates 'Excellent/Most Effective' and 1 indicates 'Poor/ Least Effective') wherever necessary.

S. No.	Content	Rating											
		1	2	3	4	5	6	7	8	9	10		
1.	Overall grading of the Programme with reference to relevance of course, module/ content etc.												✓
2.	Overall grading of the facilities provided by the institute, i.e., Hostel, Mess, Class Rooms, Transport/infrastructure etc.												✓
3.	Overall grading of the faculty members conducting the training												✓
4.	How do you rate the overall training methodology											✓	
5.	How far the field visit is relevant and related to your research study											✓	
6.	Usefulness of this training in your current role												✓
7.	Usefulness of this training in future work/job you may handle												✓
8.	How far have you benefitted from interaction with the fellow participants of the training											✓	
9.	How far the course material supplied relevant and related to the training curriculum											✓	
10.	Overall grading of the process of training											✓	
11.	Your recommendation to your peers/ colleagues for the training Programme												✓

Any other suggestions/ observations, if any- I have seen instruments & handle some which have never seen as before. I have read only in books or seen reports such as SEM, XRD. But now I am more know about this. So this is nice program be continue in future. You must reach students of rural area science college & select few students for such kinds of program.

Anil Bondre.

Thank you!
