Any other suggestions/ observations, if any-

The program was informative and beneficial and the resource person delivered the lectures very diligently & in an informative & attractive way, thanks for selecting and giving me this opportunity, But fed up because of food little bit every time Idli/Dosa and all that But still I enjoyed a lot. Thanks to all organizing especially Ranikumar & Satish Sir.

Any other suggestions/ observations, if any-

① The training programme was helpful in understanding various characterization techniques. The facilities available at PURSE Lab helped me understand various instruments in detail. However, I found the schedule to be hectic & lecture sessions could've been reduced to ensure that. Also, food provided was okay only.

10.	Overall grading of the process of training												✓
11.	Your recommendation to your peers/ colleagues for the training Programme												✓

Any other suggestions/ observations, if any-

please conduct workshop ~~for~~ related to one subject otherwise, segregate the batches according to interested instruments and subject. and train one instrument for one day. Apart from this you have conducted very good and informative workshop, Thank you.
