

STUTI 21

OSMANIA UNIVERSITY 18-01-2023 to 24-01-2023

FINAL REPORT

DAY 1: 18-01-2023

At 9.00 am the program started with the registration process of the candidates and distribution of stationary kit to the participants. The program started with the national song followed by the inaugural ceremony by the guest of honor. Then from 11 .00 am to 1.00 pm HPLC – Theory session was taken by professor Gangadhar. In the afternoon, from 2.00 pm to 4.00 pm UV-VIS- Theory session was taken by Dr. Kavitha. In the evening, from 4.00 pm- 6.00 pm HPLC – Theory session was taken by professor Gangadhar.

DAY 2: 19-01-2023

From 9.00 AM- 11.00 AM HPLC Practical session (group A) was taken by Dr. Sudheer and from 9.00 AM- 11.00 AM U.V. visible practical session (group B) was taken by Dr. M. Lingaswamy simultaneously. Then, from 11.00 AM- 1.00 PM HPLC Practical session (group B) was taken by Dr. Sudheer and from 11.00 AM- 1.00 PM U.V. visible practical session (group A) was taken by Dr. M. Lingaswamy. Then, in the afternoon from 2.00 PM- 6.00 PM HPTLC theory session was taken by Dr.Ravi kiran.

DAY 3: 20-01-2023

From 9.00 AM- 1.00 PM Plant growth chamber- Theory session was taken by Dr. S.Someshwar Rao. In the afternoon, from 2.00 PM – 4.00 PM FTIR- Practical session was taken up by Dr. A.Rajani for Group A and HPLC- Practical session for Group B was taken up by Dr. A.Kavitha. In the evening session 4.00 PM to 6.00 PM FTIR- Practical session was taken up by Dr. A.Rajani for Group B and HPLC- Practical session for Group A was taken up by Dr. A.Kavitha.

DAY 4: 21-01-2023

From 9.00 AM- 1.00 PM AAS- Theory session was taken up by Professor B. Sireesha. In the afternoon, from 2.00 PM -4.00 PM AAS Practical session was taken up by Professor K. Shailaja. Again from 4.00 PM -6.00 PM AAS Practical session was taken up by Professor K. Shailaja.

DAY 5: 22-01-2023

From 9.00 AM- 1.00 PM FTIR Theory session was taken by Dr. Someshwar Pola. In the afternoon, from 2.00 PM -4.00 PM HPTLC Theory session was taken by Dr. Ravi kiran. In the evening, from 4.00 PM- 6.00 PM Portable photo synthetic unit- Theory session was taken by Professor Gangadhar.

DAY 6: 23-01-2023

From 9.00 AM- 1.00 PM HPTLC-Practical session was taken by Professor B. Rama Devi for Group A and Group B. In the Afternoon, from 2.00 PM to 4.00 PM Plant growth chamber practical session was taken by Dr. S. Nageshwar rao for group A and group B. In the evening, from 4.00 PM -6.00 PM Portable photo synthetic unit- Theory session was taken by Professor Gangadhar.

DAY 7: 24-01-2023

From 9.00 AM- 1.00 PM Portable photo synthetic unit- Practical session was taken by professor A.Sabitha rani. In the afternoon from 2.00 PM- 4.00 PM UV-VIS- Theory session was taken by Professor V. Rajeshwar Rao. In the evening from 4.00 PM- 6.00 PM Valedictory Session.
