11.	Your recommendation to your peers/ colleagues for the training Programme											✓

Any other suggestions/ observations, if any- I learned a lot from the training program and is going to help tremendously in my PhD as well as in future. It's a true success because of STUTI as they have put the cent percent. I am very thankful to one and all but special thanks to Bhupendar sir, Veer sir, Atul sir, Dinesh sir, Shantanu sir for their efforts, it really means a lot to me. Anpita Rana  
(Name of the Participant)  
One suggestion is that for site visit please choose one research lab or any science park or related to our field so that we can connect to the place and can learn out of box.

Any other suggestions/ observations, if any-

*All the instrument's experts are highly qualified and having huge experience in particular instrument operation. Overall the training was very informative and elaborative in nature. Few suggestion are there which can improve the overall experience.*

- Some supportive study material/PPT/PDF can be given for each instruments.*
- Visits to nearest institutes like IIT Delhi (main campus), NPL can be planned to provide better experience.*
