Any other suggestions/ observations, if any-

It would be ~~great~~ ^{great} if training will be conducted on the different stream/ department wise. As I am ^{from} a food technology department, then a ^{hands-on training on the} instruments related to this field only will be beneficial. As I have seen other instrument such as ^{gel}-led, gel electrophoresis, it is great to see & learn about these instruments. But for my field/ research it has ~~no~~ no use. As participants in this training is ~~low~~ ^{low} ~~and~~ ^{and} ~~it~~ ^{it} ~~is~~ ^{is} ~~not~~ ^{not} ~~very~~ ^{very} ~~useful~~ ^{useful}.
