

FEEDBACK FORM FOR TRAINING PROGRAM

Title of the Training Programme: Hands on training Program, Advanced Instrumentation Techniques for material characterization & analysis

Date and Duration of Training: 12-19 July 22

Name of the Institute where Training has been conducted: Central Instrumentation Laboratory and dept. of Physics DCRUST, Murthal Haryana, SAF & Panjab University

Please rate the Programme components on a scale of 10 to 1 (10 indicates 'Excellent/Most Effective' and 1 indicates 'Poor/ Least Effective') wherever necessary.

S. No.	Content	Rating									
		1	2	3	4	5	6	7	8	9	10
1.	Overall grading of the Programme with reference to relevance of course, module/ content etc.							✓			
2.	Overall grading of the facilities provided by the institute, i.e., Hostel, Mess, Class Rooms, Transport/infrastructure etc.									✓	
3.	Overall grading of the faculty members conducting the training										✓
4.	How do you rate the overall training methodology								✓		
5.	How far the field visit is relevant and related to your research study								✓		
6.	Usefulness of this training in your current role						✓				
7.	Usefulness of this training in future work/job you may handle						✓				
8.	How far have you benefitted from interaction with the fellow participants of the training		✓								
9.	How far the course material supplied relevant and related to the training curriculum				✓						
10.	Overall grading of the process of training							✓			
11.	Your recommendation to your peers/ colleagues for the training Programme								✓		

Any other suggestions/ observations, if any- No

10.	Overall grading of the process of training							✓				
11.	Your recommendation to your peers/colleagues for the training Programme										✓	

Any other suggestions/ observations, if any-

Due to number of participants the hands-on training could not be possible, which could be made better by a well planned group distribution. Also, some of the instrumentation techniques & topic of talks were not conducted as it was listed in the brochure.
overall, it was good & really beneficial for research scholars to learn & make collaborative contacts

FEEDBACK FORM FOR TRAINING PROGRAM

Title of the Training Programme: Advanced Instrumentation Techniques
and material characterization & Analysis

Date and Duration of Training: 12-19 July, 2021

Name of the Institute where Training has been conducted: OCAUST Musshah & P.V Chandigarh

Please rate the Programme components on a scale of 10 to 1 (10 indicates 'Excellent/Most Effective' and 1 indicates 'Poor/Least Effective') wherever necessary.

S. No.	Content	Rating										
		1	2	3	4	5	6	7	8	9	10	
1.	Overall grading of the Programme with reference to relevance of course, module/content etc.						✓					
2.	Overall grading of the facilities provided by the institute, i.e., Hostel, Mess, Class Rooms, Transport/infrastructure etc.											✓
3.	Overall grading of the faculty members conducting the training						✓					
4.	How do you rate the overall training methodology					✓						
5.	How far the field visit is relevant and related to your research study											✓
6.	Usefulness of this training in your current role						✓					
7.	Usefulness of this training in future work/job you may handle						✓					
8.	How far have you benefitted from interaction with the fellow participants of the training											✓
9.	How far the course material supplied relevant and related to the training curriculum					✓						
10.	Overall grading of the process of training						✓					
11.	Your recommendation to your peers/colleagues for the training Programme											✓

Any other suggestions/ observations, if any- It is highly important to include
1) How to analyze the data, how to use origin software, how to write the manuscript.
2) TEM interpretation should be included.
