Any other suggestions/ observations, if any-

The Training program is very useful and help me to learn different instruments in detail. I will definitely recommend for my peers to apply for further session.

Thank you so much for giving me the opportunity

Thank you for the outstanding work you did on the workshops last week. It was worth every minute of our time. The lectures covered a broad spectrum of topics, was most productive. Everything seemed to work out very well, as location, food, the labs, seminars, instruments etc. I am also thankful for arranging the 'discussion hour' every day. Thank you so much for making this training program so enjoyable.
